

# St. Saviour's Surgery

## Our Mission Statement

Our team aims to provide high-quality personalised care to our patients to help them manage their health and well-being

### Our Vision

**Patients:** to provide holistic, proactive and supportive care

**Quality and safety:** to provide the highest standard of safe care and treatment

**Excellence:** to continuously improve and to become a high-performing innovative practice

**Partnership:** to provide the best outcomes for our patients through collaborative working

### Our Values

- We value our patients as individuals and treat them with courtesy, respect and dignity, treating them in a non-judgemental way
- We value our practice identity and its ability to provide individualised care to all of our patients
- We will always put the needs of our patients first and keep them at the heart of our decision making
- We value our practice and attached services and will strive to create a positive working environment where we can excel as a team
